SCHOOLHOUSE

Our Schoolhouse is the ultimate lounge where you can hangout with pals, play games, read books, enjoy complimentary coffee in the morning, or chill out with access to WiFi. Additionally, ice and meal kits are available for purchase.

DIGITAL NOMAD OFFICE SPACE

Work from ROAM and escape the everyday. In addition to our Schoolhouse, we've designated one of our roaming cabins as a standalone workspace, so you can focus on important tasks or make a quiet phone call at any time during your stay. WiFi is available, of course!
